DATE: 29 October 1957

TO : Chief, SR

INFO: EE, COS

FROM : Chief of Base, Frankfurt

GENERAL : REDWOOD/Operational

SUBJECT:

SPECIFIC: Request for Information on Status of Projects

ACTION REQUESTED : See paragraph 3

1. In reviewing the various project activities we discovered that we have practically no approved versions of Field Project Outlines and Headquarters projects in our files. Moreover, the status of some of the projects is presently unknown to us. To correct this we would appreciate it very much if Headquarters would forward to us the approved versions of the projects listed below affecting our operational activities, showing the approved project period, and whenever possible, a further breakdown of the approved authorizations for each fiscal year, if the project year overlaps two different fiscal years.

A. AEMANNER  
B. AEMPOLE  
C. AEROOT  
D. AEMARSH

E. AECHAMP  
F. [ ]  
G. [ ]

DECLASSIFIED AND RELEASED BY

2. In the case of [ ] project we have been notified that the Field Project Outline submitted by us has been approved. Does this mean that it has been approved in exactly the same version as submitted by us? May we have the period of project approval? This is important in order to know when we can begin charging expenditures to the project rather than to OOA as has been done previously. We would also like to know how much money has been approved for each fiscal year if two fiscal years are involved.

3. It would be greatly appreciated if in the future we could receive a copy of all projects approved by Headquarters with the information requested in the foregoing paragraphs.
